

2018-19

Annual Report

March –April 2018

Teacher training is always important in the field of education. Like it is done every year, at the threshold of the new academic year, a teacher training session was conducted at Queen's school Parbhani, in order to equip the teachers with the necessary teaching strategies and competencies and to provide the required motivation. The teachers learnt new techniques and interesting teaching-learning activities during the session through various demonstrations, paper presentations and group discussions. This fifteen-day session is conducted internally by the school for a duration of three hours every day, every year. During this period, each teacher gives classroom-teaching demonstrations and presents research papers on advancements in teaching-learning strategies. Discussions are held on lesson plan making, fun-filled classroom activities, assessment techniques, question-making and so on. Sessions for handwriting improvement, phonetics and Grammar etc are held. Accordingly, it was conducted between 20 March and 30 April 2018.

June 2018
